

Remarks

Applicant thanks the Examiner for the pleasant telephonic interview with Jason P. Sander, Reg. No. 54,422 on May 10, 2007. Applicant believes that this response constitutes a proper summary of that telephonic interview.

The Examiner requested that Amendments to the Specification provided within Applicants' January 25, 2007 response to office action be revised to place them in compliance with 37 C.F.R. 1.121. Accordingly, Applicant provides the above Amendments to the Specification, wherein the deleted structure has been indicated as such with a strikethrough and the added structure has been indicated with an underline. Applicant respectfully asserts that the bonds were inadvertently omitted, thank the Examiner for his attention to detail, and have made the amendment without prejudice.

Conclusion

Applicant respectfully submits that the application is now in condition for allowance, and requests issuance of a Notice of Allowance directed towards the pending claims.

Should any fee be due in connection with the filing of this document, the Commissioner for Patents is hereby authorized to deduct said fee from Deposit Account No. 07-0153.
